

# Campground Recycling at Phoenix International Raceway

## What do you do?

1. Fill the blue plastic bags with aluminum beverage cans and plastic PET beverage bottles — soft drinks, water, sports drinks and beer. **NO GLASS BOTTLES.**
2. When your bag is full, tie it shut and place it outside your camper. Bags will be picked up and replaced daily.

### Remember ...

- Place all garbage in regular garbage bags
- No glass bottles permitted in Blue Bags

Bashas' Supermarkets, City of Avondale and Valleywide Recycling Partnership will recycle **ALL MATERIALS!** Bring all recyclable materials, paper, plastic, glass etc. to the Bashas' Track Store and be entered to win great prizes!

Be sure to visit the Coca-Cola Recycling Education Vehicle on the Fan Midway for fun games and a chance to win NASCAR prizes while you learn more about recycling!
