

MARCH 2026 EDITION

THE CACTUS CHRONICLE

PRESENTED BY GRIZZLY NICOTINE POUCHES

YOUR ULTIMATE CAMPING GUIDE

WELCOME

Hello Campers,

We're so happy to welcome you back to the Grizzly Nicotine Pouches Campgrounds for Phoenix Raceway Spring Race Weekend! Watching you pull in and set up for the weekend is one of my favorite parts of race week. You bring the spirit, the fun, and the sense of community that makes this place feel like home, and we're excited to start the season with you.

This weekend is packed with racing action, including the headliner NASCAR Cup Series Straight Talk Wireless 500 and the long-awaited return of the NTT INDYCAR SERIES to Phoenix Raceway. And when you're not at the track, there's plenty happening right here in the campgrounds to keep things lively.

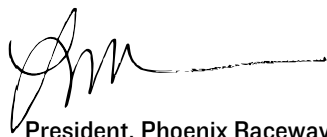

Our event experience team has planned a full schedule of activities for you to enjoy throughout the weekend. From familiar favorites like Share a Coke at Causey's Cookout to brand-new ways to meet and hang out with fellow campers, there's always something going on.

NEW this spring, we will have The Stillery Fest in the Campgrounds, March 5-7. For more information and to purchase tickets turn to page I8 in your Cactus Chronicle. **PLUS** Don't forget about the addition of the INDYCAR Autograph Session on Saturday, March 7. More information can be found on page II.

Thanks for choosing to spend Spring Race Weekend with us at Phoenix Raceway. Your excitement and loyalty are what make these weekends so special, and I can't wait to share another great one with you. If you see me around the campgrounds or the track, please come say hello, grab a selfie, or give me a high-five. I always love meeting our fans!

See you at the track,

Latasha Causey

President, Phoenix Raceway

WEDNESDAY WELCOME

Celebrate Women's History Month at Phoenix Raceway. The evening begins with the Welcome Party at Huss Brewing Co. Alehouse on March 4 from 5-7 PM. Following the Welcome Party, campers are invited to the Her Lane Pedal Party, where participants can ride their bikes around Phoenix Raceway under the lights.

This relaxed event will feature a short panel conversation with women in motorsports exploring the powerful role bicycles played in the women's rights movement, and how that legacy of mobility, access, and activism connects to women competing and leading in motorsports today. The discussion will be followed by a live Q&A with attendees.

Enjoy food and drinks, live music, raffles, and limited-edition giveaway shirts (first come first serve). The evening will transition directly into the Pedal Party bike ride around Phoenix Raceway.

Hear from ARCA Menards Series driver Isabella Robusto.

All campers are welcome. Come for the conversation and stay for the ride!

GATE POLICIES

To provide a safe environment for our race fans while ensuring everyone's timely entry to view the event, the following policies shall be in effect. For Hillside policies, please visit phoenixraceway.com/hillside.

GATE ENTRY POLICY

PERMITTED ITEMS

PROHIBITED ITEMS

ALL GUESTS AND BAGS ARE SUBJECT TO SEARCH. ALL OTHER ITEMS MAY BE REFUSED IF DEEMED INAPPROPRIATE OR UNSAFE AT THE DISCRETION OF MANAGEMENT OR ON-SITE SECURITY. ITEMS LEFT AT THE ENTRANCE GATE AREA WILL BE REMOVED AND DISPOSED OF BY RACEWAY STAFF.
ALL GUESTS ARE ALLOWED TO LEAVE AND RE-ENTER BY SHOWING A VALID TICKET OR CREDENTIAL.

RULES OF THE ROAD

AT PHOENIX RACEWAY

- Each reserved marked camping space is for 1 camping (livable) unit and 1 tow vehicle only. A reserved RV and vehicle pass/decals is required. The original RV pass must be affixed to the RV/vehicle at time of check in and remain affixed on the RV/vehicle while parked on property. Pass cannot be tampered with or altered from original condition.
- Camping unit, equipment, and tow vehicle must all fit within the marked space. Additional vehicles may park in Blue 2 & 6. No overnight camping is allowed in the Blue 2 & 6 parking lots.
- Pop-up tents are allowed in each camping space but cannot be larger than 10x20 or consist of more than 2 pop-up tents per camping space.
- Fire lanes and roadways cannot be blocked at any time. Please park all campers and vehicles in designated camping areas or spaces only. Do not block roadways. Activities in roadways that interfere with traffic or emergency access will not be permitted.
- Quiet hours are from 12 AM – 6 AM. Please be courteous to your neighbors and keep music/talking to a level only heard in your RV site as to not disturb other guests. Speakers must be maintained at a reasonable level and facing inward toward your camping space. Generators & speakers must be turned off during quiet hours.
- Spotlights, lasers, loud music, PA systems, amplified equipment, live bands or other activities that interfere with other guests are prohibited.
- Unauthorized vehicles including, but not limited to, golf carts, electric or gas bikes or scooters of any kind, sand rails, dirt bikes, all-terrain vehicles (ATVs or ATCs) or any off-road recreational vehicles are prohibited on Phoenix Raceway property. Single person electric convenience vehicles are allowed to assist guests with disabilities. A vehicle that is street legal or licensed to operate on the roadway does not mean it is allowed on Phoenix Raceway property. Phoenix Raceway will review vehicles on a case-by-case basis and reserves the right to deem them unauthorized.
- Please do not use the shuttle roadway for walking, jogging, bike riding, skateboarding or other activity while shuttles are in service. It is important that the shuttle roadways are kept clear while in service.
- Waste water dumping is a violation of Phoenix Raceway policy and Arizona State law (A.R.S. 13-1603). Any dumping of waste water will result in prosecution, ejection from the property and renewal privileges will be revoked.
- Please be respectful of the environment and your neighbors and please place all trash in trash cans.
- Campfires on open, unprotected ground are PROHIBITED. Campfires in approved aboveground containers are allowed. Fires underneath awnings, dining canopies or bonfires will not be allowed. Unusually dry conditions or county regulations may result in the prohibition of all open fires. Please do not place hot coals in trash cans or dumpsters.
- No stakes longer than 6" may be driven into the ground or into any paved area. Any markings or writing on the ground, pavement or any other Phoenix Raceway property is prohibited.
- Confederate flags, offensive signs, flags or banners, lewd behavior, and profanity, as determined by Phoenix Raceway in its sole discretion will not be tolerated.
- For your safety and that of other fans around you, only non-metallic flagpoles are permitted on Phoenix Raceway property. Please be aware of power lines and hazards at all times. Flagpoles are not permitted within 20 feet of an overhead power line.
- Carbon monoxide is dangerous and can cause death or bodily harm. For your own safety and the safety of those camping around you, please make sure that all generators, stoves, and related items are accompanied by proper ventilation systems. If your generator is not ventilated properly, you will be required to correct immediately or turn it off for the remainder of the event.
- No weapons of any kind are permitted on Phoenix Raceway property.
- Riding a bicycle on property is a privilege and can be restricted or eliminated if reckless behavior is observed. Vehicles and pedestrians have the right of way. Bicycles are not permitted through the grandstand gates or on shuttle roadways while shuttles are in service. Please walk bicycles in the camper bad area. As in all matters, parents are responsible for the actions of their minor children. **Electric bikes and scooters are not permitted.**
- Unauthorized sales, marketing or corporate hospitality are not allowed on Phoenix Raceway property.
- Phoenix Raceway ("Track") strictly prohibits the use of any unmanned aerial vehicles ("UAV"), also known as a drone, for any purpose whatsoever on Track Property. A UAV for purposes of this policy is any aircraft without a human pilot aboard. Track personnel may remove anyone using a UAV on Track property and/or confiscate the UAV until the event is over.
- Fireworks, sky lanterns, water balloon launchers, super soakers, inflatable blimps, or other items deemed dangerous will not be allowed on Phoenix Raceway property.
- Pets must be leashed/controlled at all times.
- Pet waste must be properly disposed. Pets with excessive barking or aggressive behavior will be required to leave the property.
- Tampering with or moving light towers, porta johns, trash cans or any other Phoenix Raceway property is prohibited.
- Phoenix Raceway is not liable for lost or stolen items.
- Phoenix Raceway reserves the right to amend or implement rules at any time.
- RVs must exit the facility by noon following the final day of racing.
- Phoenix Raceway strives to operate a safe environment. Phoenix Raceway does not discriminate but reserves the right to refuse service and admittance to any person if actions are deemed malicious, inappropriate, or abusive towards staff and/or other guests. All camping complaints/violations will be reviewed after each event weekend and multiple site visits and/or repeat offenders may lose renewal privileges and will be notified by Phoenix Raceway Management.

**Thank you very much for your cooperation
& continued support of Phoenix Raceway!**

SAFETY MESSAGE

In our efforts towards providing a safe environment for our customers, NASCAR and NCOAA have partnered to raise awareness regarding the risks of carbon monoxide (CO) poisoning. CO poisoning can occur when using portable generators, vehicles and other combustible equipment.

WHAT IS CARBON MONOXIDE?

- CO is colorless, odorless, and tasteless.
- CO is produced from the burning of fuel sources.
- CO poisoning occurs when you breathe fumes from those fuel sources.
- CO poisoning is a leading cause of injuries and deaths each year.
- CO is only detectable with an electronic sensor.
- CO can result in loss of consciousness, long term health effects or death.

IMPORTANT FACTS ABOUT CO POISONING

- CO poisoning is often mistaken for a cold, flu, or hangover so be suspicious if these conditions occur suddenly.
- CO poisoning symptoms worsen with the consumption of alcohol or drugs.
- CO exposure is more dangerous for the elderly, smokers, children, pregnant mothers, and those with underlying health issues.

SOURCES OF CO AND HOW TO BE SAFE AROUND THEM

Portable and RV generators, motorhomes, cars, trucks, campfires, grills, stoves and portable heaters. For your family and neighbors' health and safety, please be mindful to use equipment safely.

- Maintain a minimum distance of 6' (feet) from all CO sources.
- Ensure that all CO sources are properly vented so CO fumes do not enter yours or your neighbor's, RV or campsite.
- Only use CO generating equipment outside, never in a tent, camper, vehicle or inside your home.
- Consider the wind direction while using CO generating sources.
- We recommend that you have a properly functioning CO detector in or near the areas where sleeping may occur.

WHAT SHOULD YOU DO IF YOU SUSPECT CO POISONING?

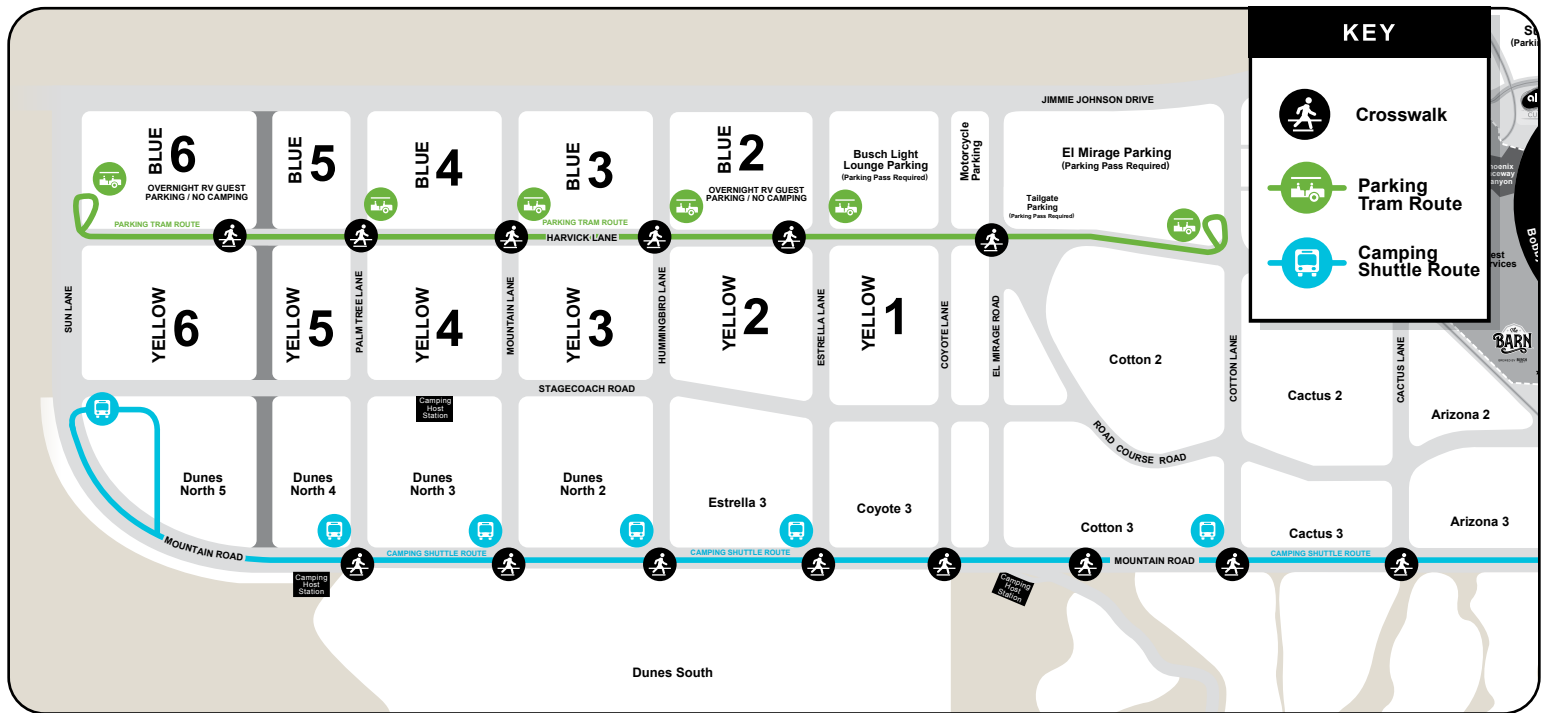

- Leave the area immediately and seek fresh air
- Call 911, security, or campground offices
- Seek medical attention immediately

CO detectors are available for purchase at most local home improvement stores
